Outside is an attractive enclosed rear garden as well as ample off road parking to the front and a garage.

The Ground Floor.

From the entrance hall, with its stairs to the first floor, there is a door into the sitting room. This room is a particular feature of the property being light and spacious and having a log burning stove fireplace as a centerpiece. There is hardwood flooring throughout that extends into the dining room that has patio doors onto the rear garden and a door into the kitchen. The modern kitchen provides a comprehensive range of wall and floor units complemented with worksurfaces, splashbacks and fitted appliances.
