The Apartment.

This is a light, spacious first floor apartment that is offered to the market in very good order throughout having been subject to recent redecoration, refitted internal doors and the addition of new carpets. Situated in a modern development of similar apartments and built we believe around 1986 the property is very conveniently located to take advantages of all Burgess Hill's comprehensive facilities and in particular Wivelsfield mainline station and the local shopping parade at Worlds End. The property is situated on the first floor off of the well maintained communal hallway and stairs. The entrance hall provides useful storage cupboards and doors onto the living room, double bedroom and modern bathroom. The spacious living room enjoys a rear aspect with pleasant lightly wooded aspect beyond. The modern kitchen lays off of the living room and has a good range of wall and floor units complemented with worksurfaces etc. There is an integrated oven, hob, inset sink unit as well as space and services for other kitchen appliances. The kitchen also enjoys a lightly wooded aspect to the rear. The double bedroom is at the front of the property as is the modern bathroom which has been refurbished at the start of this year.

Communal Grounds and Parking.

To the outside of the property are communal gardens, bin storage, washing lines and car parking with an allocated bay, plus visitor parking.

Location.

Junction Close is located off Junction Road this property is a short walk from Wivelsfield mainline station, local shops and a school. There is easy access to town centre with its wide variety of facilities including a Waitrose supermarket and Burgess Hill mainline railway station whilst the Triangle Leisure Centre and the A23 link road are within striking distance. Burgess Hill is surrounded by stunning countryside and picturesque villages.
