What we like...

- * Great location for Haywards Heath Station - perfect for commuters.
- * Modern high spec finish throughout.
- * Remainder of 999 year lease with reasonable charges.
- * No chain so swift move is possible

The Apartment...

This fabulous first floor apartment was built in 2013 by the reputable Copperwood Developments and sits in a superb location for Haywards Heath’s mainline station which gets you to London Bridge/Victoria in 45 mins, Brighton in 20 mins and Gatwick Airport in 15 mins.

The apartment is all about modern convenience with a slick specification and enjoys the remainder of a 999 year lease.

The heart of the home is the open plan living/kitchen room, which extends to over 23ft. There is plenty of space for designated sitting and dining areas and it is a great space to entertain.

The kitchen is very contemporary and has a range of integrated appliances including Bosch oven and ceramic hob with filter hood over, Zanussi washer/dryer, dishwasher, fridge and freezer. The breakfast bar peninsula is great for those busy mornings.

There are two double bedrooms and two bath/shower rooms. The main bedroom has fitted wardrobes and its own stylish ensuite shower room. The second bedroom also has fitted wardrobe and is served by the modern bathroom with overhead power shower and heated towel rail.

To the rear is an allocated parking space. For those who work from home, there is access to an Ultrafast fibre broadband connection with up 900mbps download.

This apartment would make the perfect first time purchase, downsize or “lock up & leave” for a regular overseas traveller, particularly given how close it is located to the station and London Gatwick.

There is no onward chain meaning a swift move is possible.

The Location....

Sydney Road is an established residential road of mainly Victorian/Edwardian/1930s homes and enjoys a most convenient location for Haywards Heaths mainline station, which provides fast and regular commuter services to London (Victoria/London Bridge in approx 47 mins), Brighton and Gatwick International Airport. Additionally, Waitrose Superstore is within easy walking distance with a café and wine bar. There are a variety of other local amenities within close proximity including a convenience store while Sainsburys Superstore and the Dolphin Leisure Centre are also within walking distance. By road, surrounding areas can be easily accessed via the A272 and A23(M) with the latter lying approximately five miles west at Bolney/Warninglid.

The property falls into the catchment area for the highly regarded Blackthorns Primary School in Lindfield and for secondary education children usually attend Oathall Community College.
