The Home...

Situated on the desirable Sunte Avenue in the picturesque village of Lindfield, this Sussex style semi-detached cottage offers immense potential for updating and extending, subject to the necessary planning consents. In fact, the adjoining semi-detached home gives a real sense of what is possible and indicative plans are available, upon request.

The ground floor layout includes a light and airy dual-aspect sitting room with a fireplace, a kitchen leading through to a conservatory with access to the rear garden, a ground floor bathroom, and a separate cloakroom.

Upstairs, there are three well-proportioned bedrooms, all benefiting from built-in storage.

Step Outside...

The home is set back from the road with a generous front garden, mainly laid to lawn, and a gravel driveway providing off-road parking for several vehicles. To the side, a good-sized single garage offers additional storage. The rear garden is mainly laid to lawn with mature borders, a garden shed, and a vegetable patch.

Offering scope to improve and modernise, this is the perfect opportunity to create a long-term family home in one of the South East's most desirable villages, whilst still being within walking distance of Haywards Heath's mainline station.
