### Welcome Home...

If you're looking for a beautifully presented village home that has a superb garden and enjoys a peaceful position then look no further than this fabulous 1930s semi-detached home in The Close, Ardingly.

This extended semi-detached cottage enjoys an elevated position, offering charming views over the village and rolling countryside beyond. Blending period character with modern comfort, this home has been tastefully updated while retaining delightful original features, including three striking 1930s fireplaces.

The heart of the home is the impressive open-plan kitchen/dining/family room - a super space that extends to over 25ft and has been thoughtfully designed by the reputable Hamilton Stone Design. The contemporary kitchen features Corian work surfaces, soft-close cabinetry, and high-quality integrated appliances, including a dishwasher and dual wine coolers, with ample room for a range cooker. Extending the full length of the house (front to back), this sociable area boasts French doors that open onto the rear garden, offering a seamless connection between indoor and outdoor living.

The sitting room, located to the left of the hall, is warm and inviting, with large windows flooding the space with natural light. Sliding doors lead to the second sitting room, allowing for flexible use as either a separate area or a more open-plan layout. French doors provide direct access to the terrace, creating a lovely flow for entertaining. An essential ground floor cloakroom completes the ground floor.

On the first floor, four well-proportioned bedrooms provide excellent accommodation, each benefiting from built-in storage. The principal bedroom enjoys the privacy of its own en-suite, while the remaining bedrooms are served by the family bathroom.

The home has gas fired central heating and has access to a superfast fibre broadband connection.

### Step Outside...

A huge feature of this home is the fully enclosed rear garden which enjoys a south-westerly aspect meaning plenty of sunshine throughout the day. A spacious paved terrace sits adjacent to the house, perfect for al-fresco dining, while a neatly screened lawn area offers additional space for children to play. A timber storage shed provides useful extra storage and there is gated side access.

To the front the home enjoys a gravelled driveway to the front, providing off-street parking.
