The Home...

This three-bedroom semi-detached home is all about modern convenience and beautiful interiors. Built in 2013 by Bovis Homes and forming part of the extremely popular ‘Phase 4A’ part of Bolnore Village this delightful home occupies an enviable tucked away position in a quiet close just under one mile to Haywards Heath’s station and within easy walking distance of the highly regarded Bolnore Village Primary School.

The accommodation is spread over the traditional two floors and the rooms are both spacious & well-proportioned. The 20ft5 sitting/dining room is the heart of the home and flooded with natural light via the dual aspect. One end of the room has ‘French’ doors opening on to the garden whilst the opposite is a lovely bay-window with beautiful plantation shutters. The stylish kitchen is positioned at the front of the house and boasts a selection of integrated appliances and plenty of storage space. The ground floor also has a cloakroom and two very useful hallway storage cupboards.

On the first floor are three bedrooms and a sleek family bathroom with a window allowing plenty of ventilation (some neighbouring homes of this design have internal bathrooms). The master bedroom enjoys a luxurious en-suite shower room and fitted wardrobe whilst the second bedroom is also a double. The larger-than-average third bedroom is ideal for child or as a home office for those who work from home.

Further attributes include gas fired central heating, double glazing throughout, a high degree of insulation & energy efficiency and access to an Ultrafast broadband connection - perfect for home working or those who like to stream.

Step Outside...

The rear garden is a good size and enjoys a favoured westerly aspect, providing plenty of afternoon/evening sun. The paved terrace provides the perfect space for ‘al-fresco’ dining and the remainder of the garden is laid to lawn.

The garage adjoins the house and enjoys power, light and a vaulted void which could be boarded to provide additional storage. To the front is driveway parking and an area of garden.

The Location...

Chandlers Field Drive forms part of the popular phase 4A of the popular 'Bolnore Village', situated to the northern part of the development, within walking distance of the town centre & station. This particular house occupies a tucked away position in a quiet close away from any through-traffic. One particular benefit of this location is the convenience to Haywards Heath's mainline station which lies just over a mile distant via Bolnore Road and provides frequent commuter links to London (47 minutes to Victoria/London Bridge), Gatwick International Airport (20 mins) and Brighton (20 mins).

Local amenities are provided by the Village Square including a convenience store. The recently opened 'Woodside' has given the village a social centre with an array of activities and clubs active throughout the week. There is a regular bus service providing links into Haywards Heath & surrounding areas. More extensive shopping facilities can be found in the nearby Haywards Heath town centre that lies roughly one mile distant. By road these surrounding areas can be accessed via both the A272 and A23(M) with the latter lying west at Warninglid/Bolney.

The highly regarded Bolnore Village Primary School (www.bolnorevillage.w-sussex.sch.uk) is close by whilst children from this area usually attend Warden Park for secondary education, which lies just over one mile distant in the neighbouring village of Cuckfield. There is a bus service running between Bolnore and Warden Park in both the morning and afternoon.
