Across the rear is the real wow-factor space, a superb open kitchen/dining/family room with French doors that allow you to spill out on to the beautiful garden. This space really is ready made for entertaining.

Outside Oasis...

Stepping outside, you enter a true outdoor oasis. The southerly garden is bathed in sunshine throughout the day and has been beautifully and meticulously landscaped to create a stunning outside space.

There are two separate terraces that are delightful spots for al-fresco dining. The patio sits immediately adjacent to the house, whilst the composite decked terrace is a fabulous space to sit with a glass of something chilled. A stunning wisteria intertwines around the pergola and is spectacular when in bloom. There is so much pretty planting with a range of specimen and fruit trees including two pear trees, apple tree and thornless blackberry. The water feature adds a tranquil backdrop to the garden and there is gated access to both sides.

The detached garage offers immense storage space and is fully powered. There is of course scope to convert this space into additional accommodation, work space or gym, if desired. To the front is driveway parking for two cars and an EV charge point.
