The main living space is generously sized and thoughtfully arranged, featuring open plan sitting and dining areas that provide flexible layout options. The modern kitchen includes a range of wall and base units, along with integrated appliances such as an oven, hob, dishwasher, and washing machine.

The Location...

Lower Village forms part of the popular Bolnore Village - a development built from the turn of the Millennium and perfect for a young family, with real community spirt. This position is close to adjoining woodland and children's play parks, making it the ideal location for a family. Bolnore Village Square is just a short walk and offers a Co-Operative Convenience Store and bus routes to the surrounding towns & villages. The recently opened 'Woodside' has given the village a social centre with an array of activities and clubs active throughout the week. There is a regular bus service providing links into Haywards Heath & surrounding areas. More extensive shopping facilities can be found in the nearby Haywards Heath town centre that lies roughly one mile distant. By road these surrounding areas can be accessed via both the A272 and A23(M) with the latter lying west at Warninglid/Bolney.

The highly regarded Bolnore Village Primary School is within easy walking distance of the house and is the first self-governing parent-promoted primary school in the country. Children from this area usually attend Warden Park for secondary education, which lies just over one mile distant in the neighbouring village of Cuckfield. There is a bus service running between Bolnore and Warden Park in both the morning and afternoon. For younger children, the village has an excellent nursery in the form of 'Perfect Start' which is in the converted barn building on Parkfield Way. There is also a great pre-school at Woodside (Middle Village) offering an inviting and stimulating environment for young children to play, learn and grow.

On foot, there are various footpaths & bridleways which lead into Haywards Heath's town centre and, in turn, on to the mainline station which provides swift links to London (approx 47 mins), Brighton and Gatwick International Airport. The nearest cut through is just at the end of the close and leads through to Ashenground & Bolnore Woods.
