The Home...

Set on the edge of the sought-after village of Lindfield, this beautifully presented semi-detached family home offers a wonderful blend of character and modern living across three spacious floors. With versatile accommodation of around 1,462 sq. ft., a landscaped garden, and exciting potential to extend (STPP), this property is perfectly suited for growing families looking to settle in a desirable Sussex village.

The ground floor features a welcoming entrance hall leading into a generous sitting room, complete with an open fire – a perfect space to gather on cooler evenings. To the rear, the dining room showcases charming exposed floorboards, adding warmth and character, while the kitchen benefits from a flagstone floor and a range of white shaker-style cabinetry finished with granite worktops. There is ample space here for a variety of appliances. Importantly, the kitchen could easily be reconfigured and squared off with the dining room wall to create a fabulous open-plan living and entertaining area, should a new owner wish. A useful utility room and ground floor WC complete the downstairs accommodation.

On the first floor, the principal bedroom offers an excellent amount of space. The two further bedrooms on this floor are both well-proportioned – one a comfortable double, and the other a generous single – perfectly suited for children, guests, or even a home office. These rooms are served by a stylish family bathroom with modern fittings.

The second floor is home to a superb guest suite, complete with its own en-suite bathroom. Flooded with light from the dormer window and far reaching views, this versatile space works equally well as a private haven for visitors, a teenager’s retreat, or a peaceful home office, away from the bustle of the main living areas.

Moving Outside...

Outside, the South-West facing rear garden has been thoughtfully landscaped to include a decked seating area ideal for summer dining, a well-kept lawn, and mature planting for privacy. To the front, the driveway provides off-road parking for multiple vehicles, making it practical for modern family living.

There is excellent scope to further enhance this home with either a single-storey rear extension to enlarge the ground floor living space, or a double-storey addition, subject to the usual planning consents.

The Location...

Lyoth Lane is one of Lindfield’s most highly regarded addresses, offering peace and a strong sense of community, while being just a short distance from the historic High Street. Lindfield is renowned for its picturesque charm, with boutique shops, cosy pubs, and cafes surrounding the village pond and common. Families are especially drawn to the area for its outstanding local schools, welcoming atmosphere, and abundance of green spaces.

For commuters, Haywards Heath mainline station is just over a mile away, providing fast and frequent services to London Bridge and Victoria in around 45 minutes, as well as direct connections to Brighton and Gatwick. This excellent accessibility makes Lindfield an attractive choice for both professionals and families.

This is a rare opportunity to acquire a beautifully presented family home in one of Lindfield’s most desirable locations, with ample scope to create your forever home.
