The Flat

Guide Price £225,000 - £240,000

Welcome to Fairlawn - a small mid century development of just fourteen flats sitting just off Oathall Road in the heart of Haywards Heath, within easy reach of the town centre and mainline station which provides services to central London in under 47 mins.

Whilst the flat would now benefit from some cosmetic modernisation it has been recently redecorated and offers a spacious, light and airy feel. The main living space is the generous sitting/dining room with windows to two sides and a door that opens out to a small paved terrace. There is plenty of space for sitting and dining areas making this the ideal space for entertaining and everyday living.

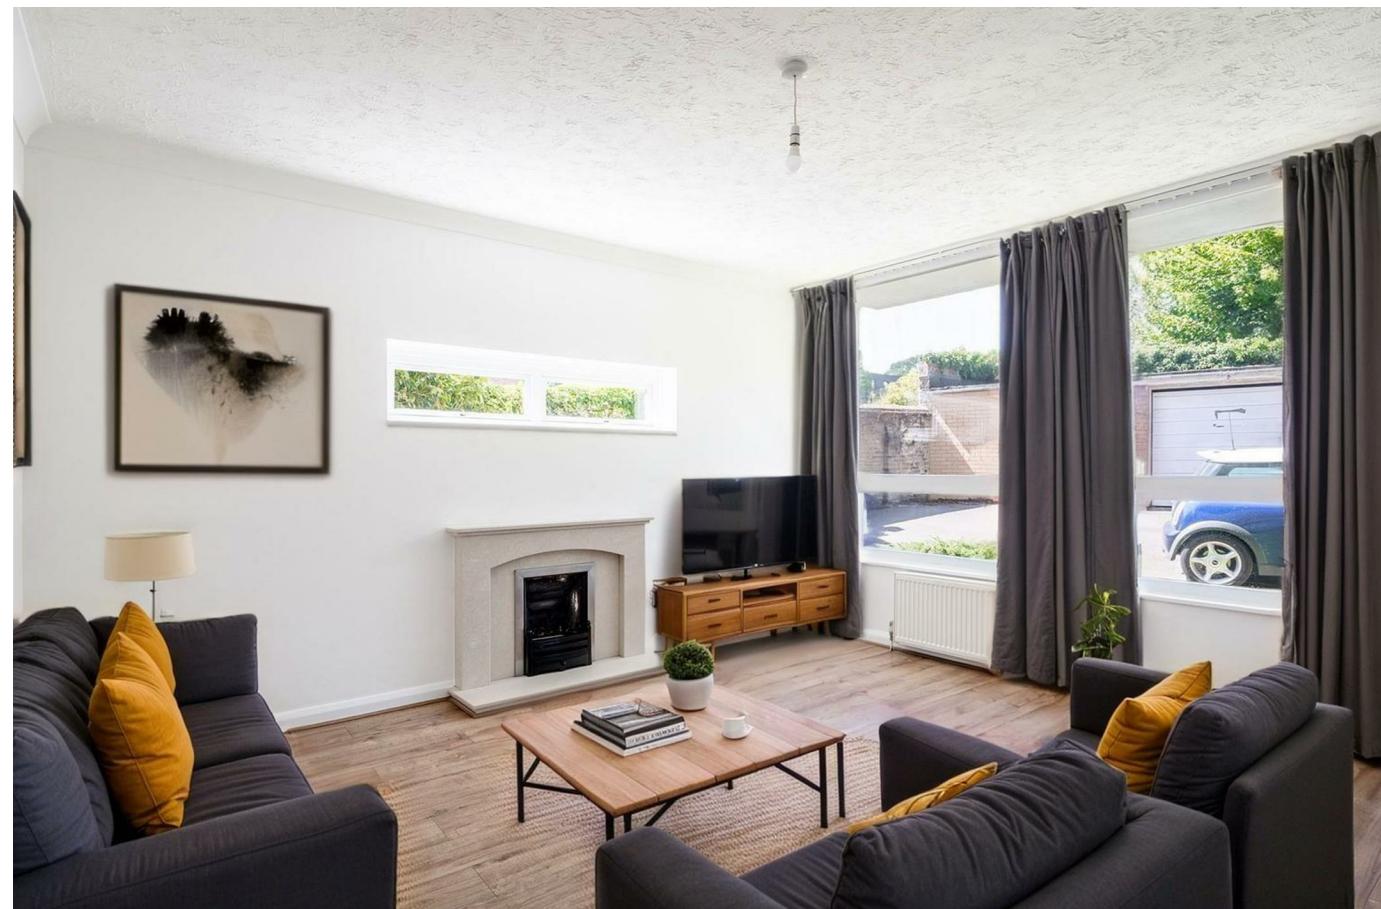

The kitchen would now benefit from updating but provides plenty of prep and storage space with room for all necessary appliances.

Both bedrooms are good sizes and could accommodate double beds. There is fitted storage to both and they are served by the bathroom with white suite and overhead shower.

The flat is fully double glazed, has gas fired central heating and access to an Ultrafast fibre broadband connection. Having recently been let, the apartment will have had a gas safety and EICR (electrical certificate) giving you total peace of mind.

Outside there are well kept communal gardens, residents parking and the flat has its own garage.

For sale with no onward chain means a swift move is possible. This would be an ideal first time purchase, downsize or buy-to-let investment. The monthly rental value is circa £1,300 giving a potential, gross annual yield of 6.5%.
