The Home...

Situated on Knox Road in Haywards Heath, this beautifully presented four-bedroom townhouse, with over 2,000 sq. ft. of accommodation, was built by Crest Nicholson in 2015 and has been thoughtfully upgraded by the current owners to create a stylish and versatile family home. The property enjoys a highly convenient position within easy reach of the town centre, schools and local amenities, while Haywards Heath station can be reached in under ten minutes by car, providing fast commuter links to London Bridge and London Victoria in around 45 minutes, and Brighton in under 20 minutes. Its location also places the stunning countryside of the South Downs within easy reach, offering an ideal balance between town and country living.

Arranged over four floors, the property opens with a welcoming entrance hall which gives access to a dedicated study, ideal for home working, a guest cloakroom and a fantastic reception room. This elegant living space is filled with natural light, enhanced by French doors opening to a balcony, making it a perfect setting for both relaxation and entertaining. The former garage has also been converted into a versatile playroom, providing a bright and functional space for children, hobbies or an additional reception room.

The lower ground floor has been transformed into the true heart of the home, with a brand-new kitchen and dining room finished to an exceptional standard. This striking space features a central island with breakfast seating, high-quality cabinetry in contrasting tones and a range of integrated appliances. There is ample room for a family dining table, while French doors open directly onto the rear garden, creating a seamless flow between indoor and outdoor living. A utility room and additional cloakroom complete this level.

The first floor provides three generous double bedrooms. One enjoys the benefit of its own modern en-suite shower room together with a selection of fitted wardrobes and storage, while the remaining two doubles are served by a well-appointed family bathroom. This layout is ideally suited to growing families or visiting guests.

The entire top floor is dedicated to a stunning principal suite, designed as a luxurious private retreat. This spacious room boasts a contemporary en-suite shower room, a large dressing area with bespoke wardrobes and, most impressively, elevated views across the South Downs that provide a true sense of calm and escape.

Externally, the property benefits from an attractive rear garden with a large patio terrace and level lawn, perfect for entertaining and family life. Mature planting and screening ensure privacy, while to the front there is private parking along with visitor bays.
