Welcome Home

Tucked away in a quiet cul-de-sac and forming part of an attractive 2016-built development by David Wilson Homes, this beautifully presented red-brick semi-detached home offers generous and versatile accommodation arranged over three floors, along with a lovely rear garden, driveway parking, and garage.

The ground floor provides a thoughtful layout, perfect for family life or entertaining. The spacious living/dining room spans the full width of the home and enjoys a large square bay window and double doors opening onto the garden — creating a wonderfully bright and inviting space. There's plenty of room for a dining table, and the bay is fitted with crisp white shutters, adding a touch of elegance.

To the front, the kitchen is finished in a timeless shaker style, with deep green cabinetry, solid wood worktops, and a breakfast bar for casual meals. Integrated appliances include a double oven with grill, gas hob, dishwasher, fridge/freezer and washing machine. A south-facing window brings in great natural light and looks out over the front garden, with bespoke louvered shutters adding privacy.

There's also a handy downstairs WC and built-in storage beneath the stairs.

On the first floor, you'll find three well-balanced bedrooms and a stylish family bathroom with a shower over the bath and south-facing window. Two of the bedrooms benefit from fitted wardrobes, while a large cupboard on the landing adds useful storage.

The top floor is home to a superb principal suite that offers privacy and seclusion from the rest of the house. This expansive room includes a dressing area with wall-to-wall wardrobes and its own en-suite shower room. There's further storage built into the eaves — ideal for keeping the clutter tucked away.

Being a modern home, there are high insulation levels and high performance double glazing making the home highly energy efficient. For those who work from home, you have access to an ultrafast fibre broadband connection.

Step Outside

The rear garden has been thoughtfully landscaped into distinct zones for enjoying different times of the day. There's a paved terrace directly off the living space for dining and relaxing, with a level lawn bordered by mature planting towards the rear. A raised bed adds structure and greenery, while the garden feels private and well cared for.

To the front, a neat garden adds kerb appeal, and the private driveway provides off-road parking for two/three vehicles, leading to a generous single garage.
