The Home...

If you are looking for a spacious, modern and beautifully presented home that is truly turn-key, then this impressive semi-detached town house on Virginia Drive could be the one for you. Built in 2019 by Barratt Homes as part of the popular Wychwood Park development, the property offers well balanced accommodation arranged over three floors, combined with attractive New England inspired kerb appeal.

The ground floor is arranged with modern living very much in mind. To the front of the house is a useful study, ideal for those working from home or equally suited as a playroom or snug. To the rear, the property opens into a superb open plan kitchen, dining and living space which forms the heart of the home. The kitchen is fitted with a range of integrated appliances and ample storage, while the living and dining areas enjoy excellent natural light via a bay window and French doors opening directly onto the garden, creating an easy inside outside feel during the warmer months. A ground floor cloakroom and a useful utility cupboard provide practical storage.

The first floor is home to two bedrooms, the front bedroom being a generous principal room with fitted storage and its own ensuite shower room. The rear bedroom is a large double bedroom, currently arranged as a second living space, demonstrating the flexibility the accommodation offers depending on a buyer's needs.

The second floor provides two further double bedrooms together with a modern family bathroom, making this level particularly well suited to growing families or those needing additional guest or workspace accommodation.

The Garden...

Moving outside, the property enjoys a spacious rear garden with a large patio adjoining the house, ideal for entertaining, leading onto a generous area of lawn with a rear access gate. To the front of the property there is driveway parking along with an attached single garage.

Being a recently constructed home, the property benefits from excellent energy efficiency, high performance double glazing, gas fired central heating and the remainder of the 10 year new homes warranty, providing peace of mind for the next owner. Ultrafast fibre broadband is also available, making the home equally suited to modern working patterns.
