The Home...

Situated within the sought-after Foundry Gardens development off Rocky Lane, this beautifully presented two-bedroom semi-detached home was built in 2019 by respected housebuilder Countryside Homes and has since been thoughtfully improved to create a stylish, turnkey home ideal for modern living.

The ground floor offers a welcoming entrance hall with cloakroom, leading through to a contemporary kitchen fitted with a full range of integrated appliances for a clean, streamlined finish. The kitchen also neatly houses the combination boiler within the cabinetry. To the rear, the sitting/dining room is a well-proportioned and naturally light space, opening directly onto the south-facing garden.

Outside, the garden has been partially landscaped to create a fantastic entertaining space, with a substantial decked seating area and an area of lawn, all enjoying a favourable southerly aspect.

Upstairs, there are two double bedrooms, with the front bedroom benefiting from built-in storage. The original bathroom has been upgraded and replaced with a stylish shower room, now featuring an oversized walk-in shower cubicle and contemporary fittings.

To the front of the property is one allocated parking space, with plentiful visitor parking available throughout the development.

Further benefits include gas central heating, double glazing, and the remainder of the NHBC warranty for added peace of mind.

Tall Trees is conveniently positioned on the southern side of Haywards Heath, within easy reach of the town centre and mainline railway station offering direct services to London, Brighton and Gatwick Airport — making this an excellent first purchase, downsize or investment opportunity.

Shared Ownership Option...

The property is available at a full market value of £375,000, or via a shared ownership scheme.

Under shared ownership, a purchaser can buy a 35% share for £131,250, paying a subsidised rent on the remaining share.

This structure allows buyers to enter the market with a lower deposit and mortgage requirement, with the opportunity to purchase additional shares over time ("staircasing"), subject to the scheme terms and eligibility criteria.
